In reply to your letter N^o 1847 dated 20

May 1902, re the depriving Thammiah of his right
to be the head of Jangam Matt at Bellur and the
appointment of a competent successor by Government,
I have the honor to state that the appointment of a
Jangam to a Matt rests with the disciples of that
Matt and that in the present instance, as the
said Thammiah is reported to be since dead, his
son if nominated by the disciples as his successor
may be recognized by Government, and the man-
agement of Matt lands made over to him subject to
the supervision of the Amildar.

The vernacular correspondence is herewith sub-
mitted.

I have the honor to be,
Sir

the matter of the restoration
of the Tummar lands endow
to the mutt.

With reference to the
above has the honour to
observe that the Dy Commr

letter is very meagre and does not furnish the requisite information.

2. In the Government-

Pro. no 934 dated 19th
May 31-98

February 1901, it was directed

that the marginally-^x noted

Indian lands granted

for the support of the gangana

mat at Bellur, which had

been mortgaged by the

petitioner Samiah and

his father Kuri Prasannaiah

should at once be resumed

and restored to the mat

in accordance with the

Rules of 1877; and that

it should ^{also} be reported

why the petitioner Samiah

should not be altogether

deprived of his right to

the matt, for his wrongful
act of eliminating the
matt's Indian lands, and
another Javanese
appointed in his place -

It is not clearly understood
whether, as directed above,
the eliminated lands were
actually taken possession
of from the mortgages,
and if so, from what
date; and ^{whether} ~~how~~ the lands
have been leased out to
others and on what

conditions; ~~how~~ how the produce

3. From the records
now received, it is observed
that the petitioner Sumin
is since dead and that
his son one ~~Banman~~

has been trying to become
the Jangamiah of the Mutt
in place of his deceased
father - It must be clearly
understood that the
questions of resuming the Mutt
in hands from the
possession of the clerics,
and of appointing a successor
in the place of the deceased Jangamiah
to the Mutt, are quite
different ones, and must
be disposed of as such -

Clear instructions should
therefore be given to the
Amildar that the alienated

be taken to his possession as was already directed

To.

L. Anantasaani Rao Esq B.A.

Secretary to the Government of Mysore
in the Muzrai Department

Sir,

In continuation of this office letter No 328
dated 11th June 1904 regarding the affairs of the
Jungum matt at Bellur in the Vagam angala
Taluk, I have the honor to state that the
former Jangamiah by name Jannayya died
about 2 years ago leaving 2 sons and a widow
behind him. This matt is not a regular insti-
tution having disciples. It has been only an
institution which feeds Jangams and Swachar
people who visit the place. The produce of the
Inam lands is utilized for the above purposes.
The villagers are in favor of the appointment of
the deceased's eldest son Basaviah as Jungum
of the matt.

The Amildar recommends the succession of
Basaviah to the matt and solicits orders for placing
the Inam lands in possession of Basaviah.

I request that Government may be pleased
to recognize the succession of Basaviah to the

Matt and place Mann lands in his possession provided that the Jangamiah furnishes proper and satisfactory security that he would keep accounts, and feed the people and otherwise keep the Matt in good condition.

The Correspondence ending with the Krishnarajpet Division Asst. Commissioner's order No 575 dated 18th June 1904 is herewith submitted.

I have the honor to be
Sir,

Your most obedient servant

Deputy Commissioner
